Description	The following enhancements have been made to the EA+ Standards Report Card: 1) Attendance can now be printed broken down by term. 2) More options for the location of the Grade Mark Legend have been added. The legend can now be printed after each class, at the bottom of each page or on the last page only. 3) An option has been added to the Grade Mark Group setup to indicate whether the Grade Mark Group should be printed on the report card. This can be used to exclude a grade mark group that has a large number of numeric grades while allowing you to still print a different grade mark group with letter grades only.
